STRENGTHS

✓ Problem-Solving: I enjoy finding creative solutions to technical challenges.

✓ Fast Learner: I quickly adapt to new technologies and tools.

✓ Attention to Detail: I ensure clean and efficient code with a focus on UI/UX.

✓ Time Management: I can handle multiple tasks and meet deadlines efficiently.

✓ Strong Communication: I can explain technical concepts clearly and concisely.

ACTIVITIES

✓ Participated in a Hackathon: Built a Static Interactive Resume Builder using HTML, CSS, and TypeScript.

✓ Portfolio Development: Designed and deployed a personal portfolio showcasing my skills in web development and UI design.
